“Vidya Param Balam - Knowledge is Supreme Power”

From the President's Desk

It gives me immense joy to share this message with our students, parents, faculty, and well-wishers of Prachya Bharati Senior Secondary School.

Guided by the National Education Policy, our school has taken a bold step in expanding its academic vision-from a junior college to a comprehensive institution offering Classes I to XII. This transformation is not merely a change of name, but a milestone in our journey of providing holistic and progressive education in Assam.

Over the past decade, Prachya Bharati has earned a strong reputation for academic excellence, discipline, and values. Our students have consistently excelled in higher education, securing places in IITs, NITs, medical colleges, and leading universities across India - a reflection of our commitment and purpose.

Yet, we believe that education extends beyond examination results. At Prachya Bharati, we emphasize all-round development -nurturing character, creativity, communication, and compassion. With new pedagogical practices, vocational subjects, and personalized attention, we prepare our students not only for success in academics, but also for success in life.

I extend my heartfelt gratitude to our dedicated teachers, academic body, AHSEC, Gauhati University, and all our supporters. Together, we will continue to elevate Prachya Bharati Senior Secondary School as a center of excellence and inspiration for generations to come.

A stylized, handwritten signature in dark ink, appearing to be the name of the President.

President
Prachya Bharati Senior Secondary School

“Education is not the filling of a pail, but the lighting of a fire.”

From the Principal's Desk

At Prachya Bharati Senior Secondary School, we believe education is a continuous journey - a journey that nurtures intellect, curiosity, and character. Every child is unique, bringing their own strengths, dreams, and perspectives. Our mission is to guide them with care, help them discover their potential, and prepare them for an ever-evolving world.

Our classrooms are active, student-centered spaces where learners ask questions, think critically, and express themselves freely. We encourage creativity, collaboration, and confidence — values that help students become lifelong learners.

With our expansion to Classes I–XII, we now provide a continuous and nurturing academic environment, ensuring every learner grows under the same supportive roof. Our approach combines academic rigor with values, communication skills, and emotional intelligence — shaping well-rounded individuals who are confident, kind, and capable.

Beyond academics, we encourage active participation in music, arts, sports, and cultural programs. These experiences teach teamwork, empathy, and leadership - qualities that define success in the real world.

Education, in our view, is a shared responsibility between the school and parents. Together, we create a learning environment where students feel inspired, supported, and empowered.

I look forward to witnessing every child of Prachya Bharati grow into a thoughtful, responsible, and confident citizen.

With regards,

A handwritten signature in black ink, appearing to read 'Swastika Phukan'.

Mrs. Swastika Phukan

Principal, Prachya Bharati Senior Secondary School

About Us

Established in 2008 as **Prachya Bharati Junior College**, our institution began with a clear mission - to provide quality education at the higher secondary level. Recognized by the **Assam State School Education Board (ASSEB)**, we have grown into a trusted educational institution that now offers **Science, Commerce, and Arts** streams at the higher secondary level.

In 2024–25, the school expanded into a **comprehensive institution** offering classes from **I to XII**, aligning with the spirit of the **National Education Policy (NEP) 2020**.

Our philosophy is rooted in balance - strong academics, digital innovation, and value-based learning. We believe that education should not only build intellect but also character, curiosity, and compassion.

Key Highlights

NEP 2020-aligned curriculum

Dedicated and qualified faculty

Smart classrooms with digital resources

Focus on holistic learning and extracurricular growth

Safe, inclusive, and nurturing environment

Mission & Vision

MISSION

To nurture every child's unique potential through holistic, value-based education that integrates creativity, critical thinking, and lifelong learning. We aim to develop confident, compassionate, and responsible citizens prepared for the challenges of a dynamic world.

VISION

To inspire students to become globally aware and culturally grounded individuals—equipped with the knowledge, skills, and values to contribute meaningfully to society
